Your HVA News

We welcome new principal, Rob Gettys and his wife, Brandy, a new Mt. Aetna Adventist School middle grades science-teacher who joined our HVA campus family in July 2022. They recently moved from the Andrews University area where he served as the university athletics director and coached the women's soccer team. They have 2 adult sons and are excited to join the faculty/staff team. They enjoy being able to hike the nearby Appalachian trail.

We have two retirees who represent 88 years of involvement in Adventist education. Ophelia Barizo, a STEM coordinator and teacher with 20+ years here finished at both the Chesapeake Conference and HVA this summer. She started our nationally certified STEM program at HVA.

Dr. Harry Janetzko, outgoing principal, has been here for the last 3 years and is moving to Virginia to be closer to family.

They will both be missed at HVA.
