## Springing Forward: HVA Updates

The weather has been switching from almost 80 back down to 30 and it's raining a lot, but it's okay because these rainy days are temporary. Despite these drastic temperature changes, we're pushing through and working hard. Here's a highlight of what happened at HVA in March:

The 46th Annual Tartan 5K was such a great day! We're so grateful to our alumni for organizing it. Families got to move and have fun together. Runners ranged in age from under 5 all the way to our over 80 legends setting an inspiring pace. It didn't matter if you were running, walking, or cheering; the best part of the day was crossing the finish line as a community. See you next year - mark your calendars for March 7, 2027!

The week of March 2, we had Student-Led Week of Prayer, and it was a blessing! Our speakers were seniors Aiden and Mauricio, junior Alba, sophomore Esther, and freshman Charleigh. They spoke about how Heaven isn't some far away place; Heaven is NOW! The praise segment done by our students was also an incredible blessing. Each evening, guests came from the community, and it was so nice to share the blessings with them.

Get ready to cheer on our athletes as HVA Girls Soccer takes the pitch for an action-packed April! The excitement begins at home on 4/9 against SVA at 5:00 PM, followed by an away match at MVCA on 4/14 at 5:00 PM. The team returns to our home field to face off against ECA on 4/21 at 5:00 PM before hitting the road for a rematch at SVA on 4/28 at 5:00 PM. Whether you are joining us in the stands or following from afar, we can't wait to see the HVA community come out in full force to support our players this spring season—Go HVA!

Our Highlanders, Handbells, and a few Strings traveled to France and Spain and performed for churches and schools over spring break. They visited the Eiffel Tower, Notre Dame, and other famous landmarks and castles in those countries. They got to meet lots of new people who taught them fun, new games. The highlight of the trip was performing at different churches and meeting new people.

Last Friday evening, students went over to staff houses for campus family vespers and supper. We worshipped, played games and ate good food. It was a fun, relaxing night full of fellowship and of course, food!

Spiritual Retreat was a perfect opportunity to connect with nature, friends, and God. Although it was cold, we still had a good time. The guys helped cook the food, and it was pretty tasty. Overall, Spiritual Retreat was a blessing!

We ended our month with students in Washington DC for the Capitol Model UN. We can't wait to hear about all their adventures in our nation's capital!

## STUDENT OF THE MONTH

In the same way, let your light shine before others, so that they may see your good works and give glory to your Father who is in heaven.
