Fall Fun at HVA

Autumn at Highland View Academy isn't just beautiful, it's full of excitement and connection!

We kicked off October with our Campus Family Suppers. Each year, students are placed in small "Campus Families" of 6-8 members and paired with a staff member. Earlier this month, these groups gathered in staff homes for dinner, worship, and fellowship. It was such a blessing to connect in a relaxed setting and build lasting relationships beyond the classroom. We can't wait for more Campus Family moments throughout the school year!

Next came our annual Fall Festival, where students, staff, and community guests enjoyed a picture-perfect fall day - sunny skies, warm air, and just a touch of autumn crispness. Around the gym and outdoor spaces, guests explored booths filled with games, prizes, snacks, crafts, and activities for all ages.

Fall Break arrived just in time for some much needed rest - except for the Highlanders Choir, who spent their break on a music tour at Washington Adventist University. The last week of October has our Handbell Choir heading to Ohio for Ringfest, joining bell choirs from across the country for clinics and performances.

Our students are still going strong as the semester continues - busy, motivated, and ready for what's next! Be sure to follow us on Facebook and Instagram to see everything as it happens.

STEM Fest

HAGERSTOWN, MD – Highland View Academy hosted its free community STEM Fest on Sunday, November 2, drawing families for a day of hands-on discovery. The event, which ran from 11 a.m. to 3 p.m., was open to all ages. Attendees explored a wide range of exhibits, with robots, virtual reality, flight simulators, and slime-making stations proving to be major highlights. The combination of interactive classes and exciting presentations successfully made science, technology, engineering, and math fun and accessible for the entire community.
