HIGHLIGHTER

TO INSPIRE AND MENTOR OUR STUDENTS TO EXCEL IN ALL CHRIST CALLS THEM TO DO.

Spring is here!

The calendar tells us it's March, but the weather is still holding on with a February grip! In spite of the cold (and snow, and ice), we've had a wonderful month here at Highland View Academy. Here are some of the highlights from the last few weeks:

We started off the month with a relaxing Winter Break. During that time, the students from John Andrews Academy in Chile settled into the dorms and started touring the area. When the HVA students returned the second week of February, instant friendships were made. We really enjoyed the two weeks we were able to spend with them.

To celebrate Valentine's Day, our Student Association organized activities on February 11 and 12. The girls couldn't talk to the boys on the first day, and the boys couldn't talk to the girls on the second day. Anyone who did had to give up the paper heart they had been wearing. It made for a fun couple of days.

We ended the week with a quick visit from the choir at Forest Lake Academy in Florida followed by a special Valentine lunch in the cafeteria. There were red and pink decorations, delicious food, and even a chocolate fountain with treats to dip for dessert.

In case anyone was still hungry after all of that, we hosted our annual International Food Fair on Sunday, February 15. There were foods from the Philippines, Puerto Rico, El Salvador, Nigeria, France, Ghana, United States, and so much more! It was an amazing opportunity to expand our taste palates and try new things.

On Tuesday February 17, the Varsity Basketball teams played their last home game of the season. The seniors got to start the game off and were honored at the end of the game. It was a fun experience and a memorable moment.

On Saturday February 21, our Handbells performed at the Willowbrook SDA Church and shared lunch with the families there. We ended the night with a Senior Night which included a few rounds of "Friendly" Feud, a silent auction, and delicious homemade Thai and Indian foods made by our very own Business Manager, Eunie Banuag. Jason Ashman hosted the games and kept everyone entertained. In the end, the HVA Staff team won the grand prize and everyone had a great time.

Our Aerials gymnastic team was busy this month too. They traveled to Beltsville Adventist School to perform for the students and teachers. The kids cheered and got involved in the audience participation portion of the show. They even convinced their Principal to go up in an elevator.

On February 27, over 250 students from Dover, Spencerville, Atholton, Mt. Aetna, and Frederick joined us on campus for the CCoSDA Music Festival. Clinicians traveled from all over the country to teach handbells, choir, band and strings. The weekend culminated in a special Sabbath afternoon performance in the HVA Gym for hundreds of guests.

STUDENT OF THE MONTH

In the same way, let your light shine before others, so that they may see your good works and give glory to your Father who is in heaven.
