# Our Church

Our church has a wonderful appearance to its' onlookers.

Inside the church, we have a beautiful pipe organ.

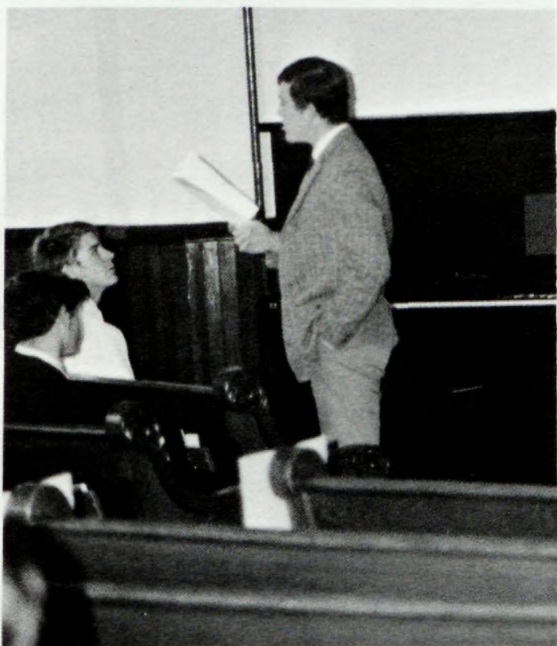

Elder Pierson and Elder Dudley helped in the organizing of our church.

# Sabbath School

The students make Sabbath School a happy occasion.

Allen Buckler enjoys religion and helps take part.

Discussion leaders enjoy teaching.

Most all of the students bring bibles and enjoy talking about religion.

Elder Pumphrey leads us in our Sabbath worship.

He keeps the attention of mostly everyone.

Mrs. Pumphrey plays the organ beautifully.

## Church Service

The choir performs often at our church with great enthusiasm.

# Charter Members

Elder May helped to organize the church's members.

The students weren't the only ones to join the church.

There were more to show up for the meeting than were expected. Mostly all of the students are now members of the Highland View Church.

# New Homes

Mr. Leach feels that the faculty's new homes will be completed very soon.

## Factories

The food factory was built so that there would be plenty of work for the young ladies.

Mrs. Boward makes a wonderful secretary for the picture frame factory.

The picture frame factory is gradually increasing its number of employees as well as its orders.

*In Recognition of...*

..... a hard worker and friend  
Mr. Stanley Haines

In our world of fast changing paces, we have found a man, a man who has a Christian outlook on life. A man who, with his hard working ability, has put before our eyes a school which all can admire and be proud of. A man who is friend to all. For this we, the students of Highland View Academy, would like to dedicate the 1971 Highlander to Mr. Stanley Haines.

# Principal's Message

Dear Students:

As we look back on the events of this past school year as portrayed by the pictures in this annual, we can't help but see a year full of opportunity.

What did YOU do with these opportunities as they presented themselves? Did you take advantage of them? Can you say this has been a successful year for YOU? Have YOU done your best? If YOU can truthfully answer yes to these questions then your year of opportunity has been successful and your memory of it should be pleasant.

"The greatest want of the world is the want of men—men who will not be bought or sold, men who in their inmost souls are true and honest, men who do not fear to call sin by its right name, men whose conscience is as true to duty as the needle to the pole, men who will stand for the

right though the heavens fall." ED. 57.

This is the ideal for which we strive here at Highland View Academy. It is my hope that as you have walked the halls of this school, you have learned better how to take advantage of each opportunity, but most of all, I hope you have learned how to stand for the RIGHT, though the heavens fall.

The Lord has been with us this year and truly it has been a good year. May He continue to guide and bless you as you meet the opportunities that will come to YOU in your future life.

Sincerely yours,

*Don R. Keele*

# Sound

The Choir has enjoyed many trips this year. Some of the places visited were Dover, Wilmington, Spencerville, Baltimore First and many others. The choir no longer has to worry about bus trouble because this year they get to ride in a recently purchased double-decker greyhound bus which NEVER breaks down.

What are you looking at?

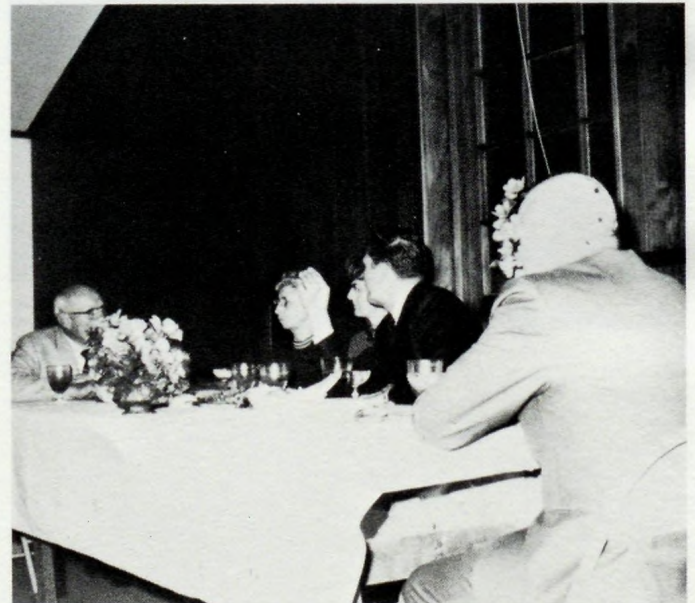

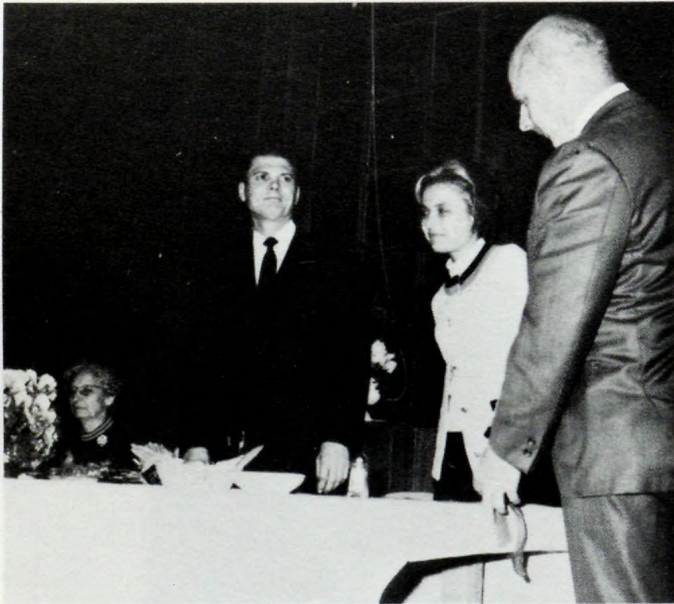

Now that I'm in, how do I get out? . . . .you don't.

Would you believe, the three stooges?

Man, there ain't nothin as warm as dat sun.

I think it's alright to cheat once in awhile.

Here, take it and pass it on.

Come on you guys, deal me in too.

I told you that you talked too much, Hersel.

Did someone say that I was beautiful?

Come fly with me.

Nothing to it.

Oh, I forgot my speech.

I caught you.

You're kidding.

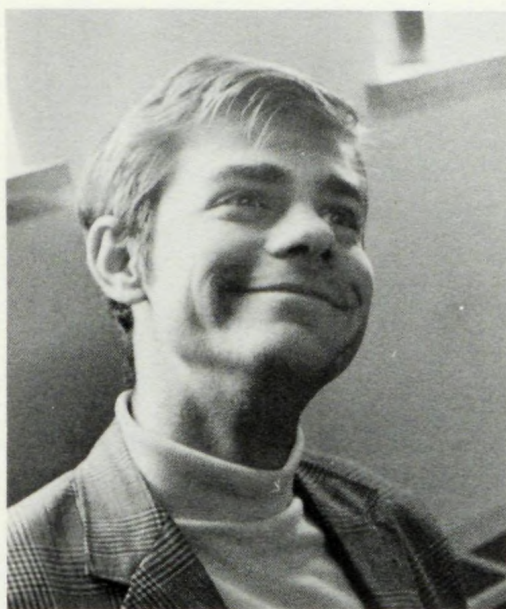

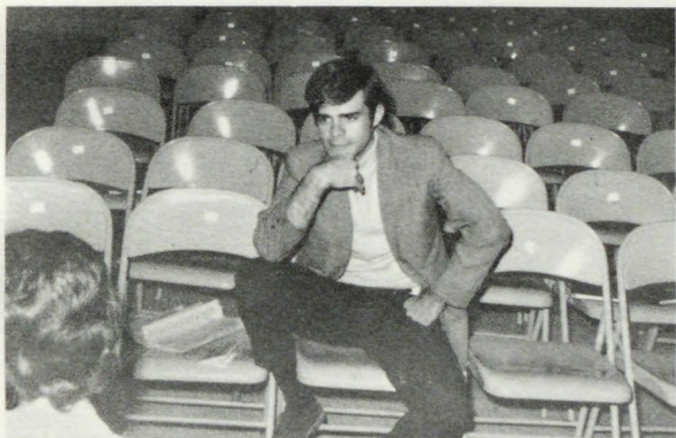

You mean I have to ride with him?

Do you see what I see?

I can't hold it any longer.

Where is everyone?

Now I'm pretty.

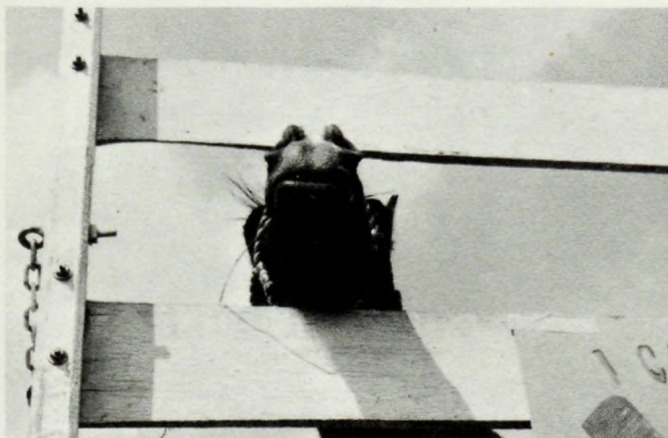

We'll do it again next spring.

Thanks for voting me into office.

Don't ask me.

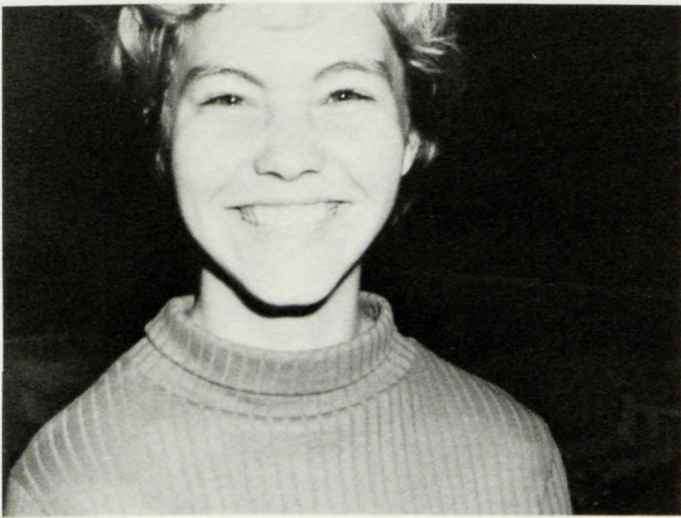

My Elder Dudley, you've changed.

Are you having another fit, Skip?

Comet makes your teeth so clean.

Let me show you Larry.

Doesn't she look better with her eyes closed?

Boy, that looks good.

Is school really that boring?

Are you talking to me?

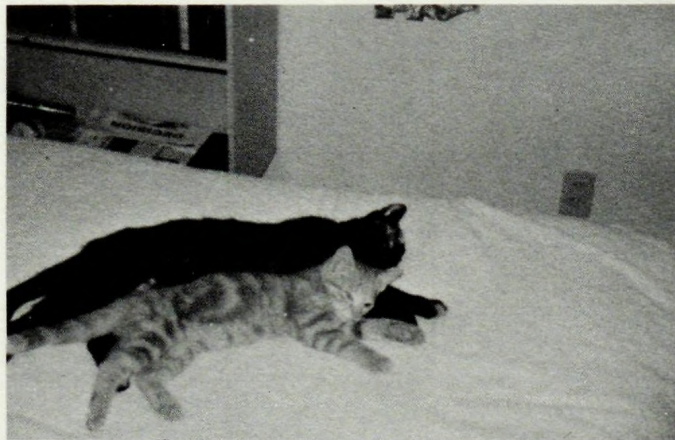

Don't look now but you're being followed.

Pucker up

Jeanie Helton making a spectacular high jump.

There's time for everything even a chat with the nearest friend.

Ma and Pa with their New Country Corn Flakes.

The discus throw was both exciting and fun.

Here Denise demonstrates how to have fun when you're down in the dumps.

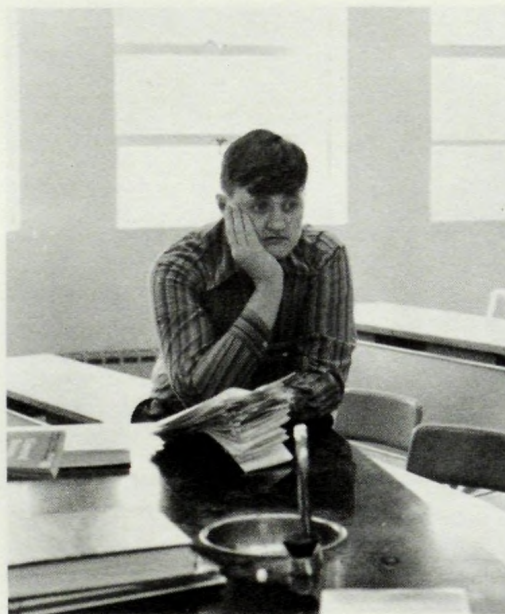

Is that the way you look after someone gets in trouble?

The devil made her do it.

I wish I knew what I was doing.

Fancy meeting you here.

Last one there is a rotten egg.

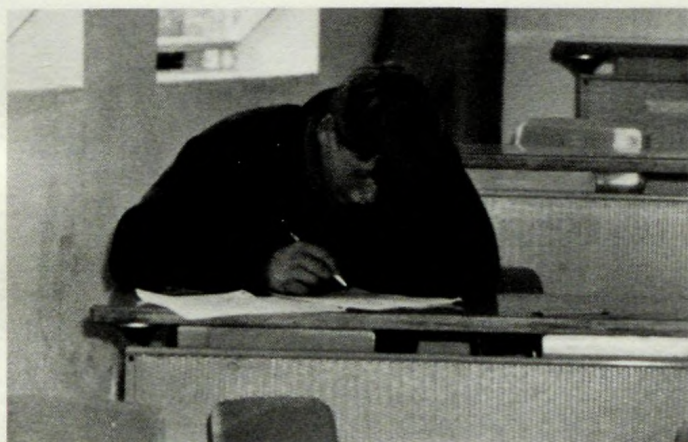

Winnie it's not all that hard.

How come you always ask me?

Just what did you want?

If this is a quiz what's a test look like.

I like people.

What treasure brought you here?

30 days or 30 sit-ups.

This hand has directed many a voice!

My mother the car.

The sun always shines my way.

Simon Says take two giant steps.

God made boys like frogs.

We caught him going in the girls locker room.

3 and 3 isn't 7.

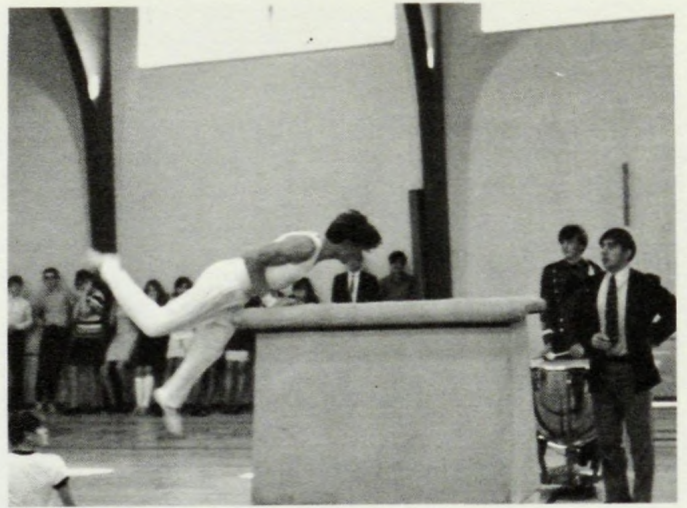

Oh my Sacrum.

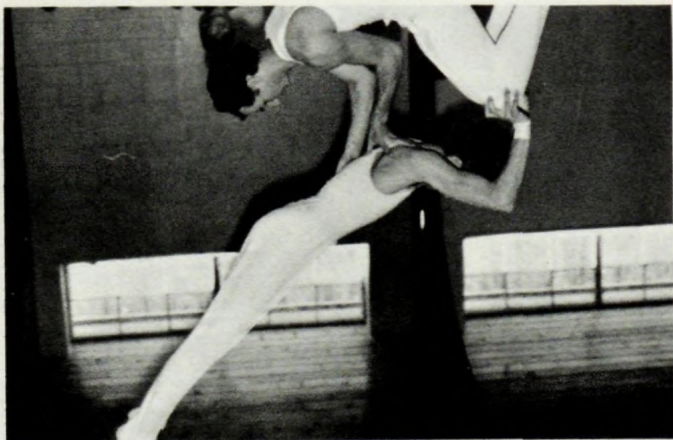

WEE!

UMPH! Who put that there.

Hard at work.

Have you considered going on a diet?

Ask a stupid question and I'll give you the right answers.

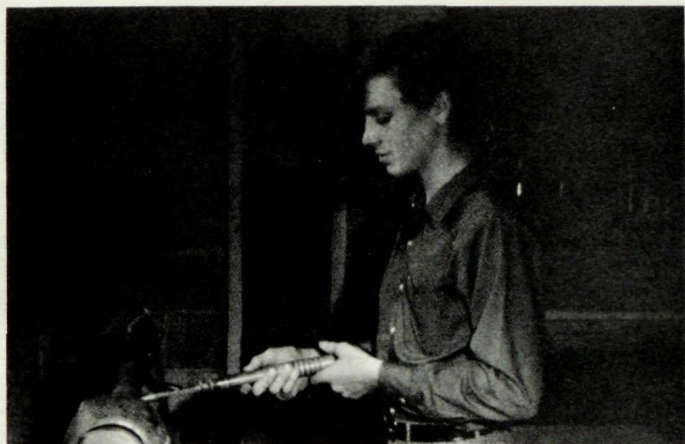

It's too funny to repeat.

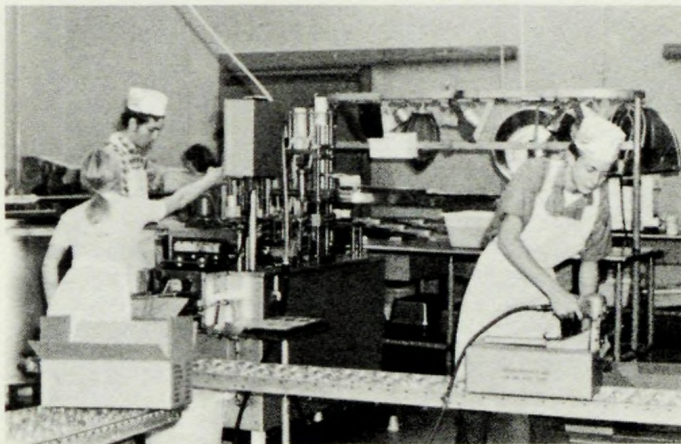

Where's the fire?

This is the slowest chow line.

I could do this with my eyes closed.

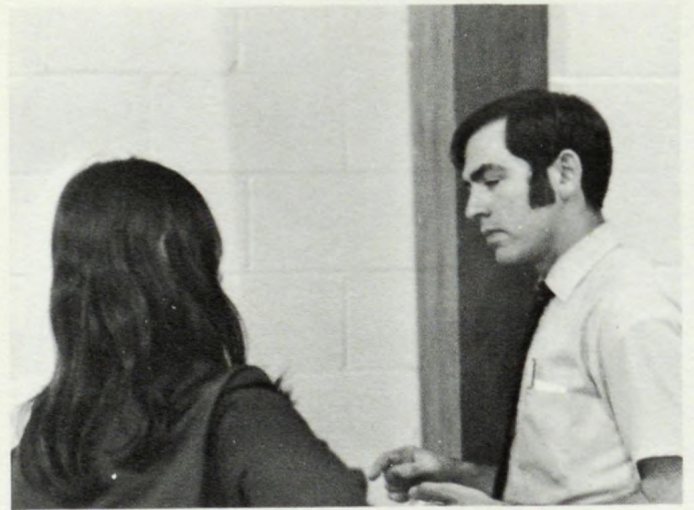

Get busy. Here comes the boss.

Was that 3 cups of soap?

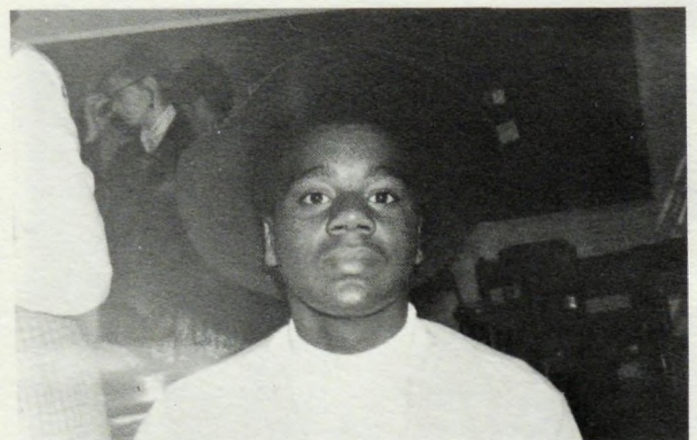

Now look, Diane this is the way it's going to be.

Here ye! Here ye!

Even I can add faster than that.

Famous Doug Ward smile.

H.V.A. Church.

I saw you snatch that carbon from my office.

Licorice flavor.

Should have brought my shades.

Here come the girls.

Stand Back.

Maybe next year I can make the little league.

You'd better let go. There's faculty around here.

I don't.

I can't read my own writing.

Isn't that a familiar sight?

Hide it behind a Bible, no, I'm gonna let it shine.

And now Elder Pumphrey, we crown you king for a day.

Well boys, we made it just in time to be too late.

This ice-cream tastes like it has marbles in it.

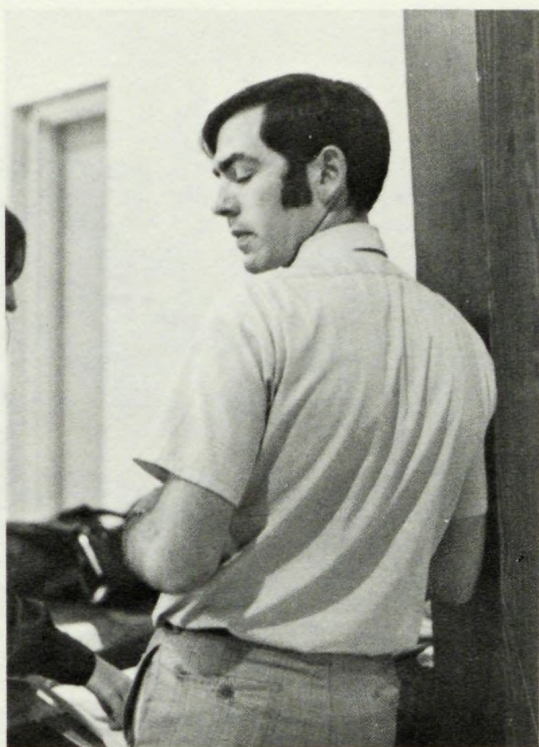

I think they saw us.

100 yard dash in 3 seconds . . . not bad.

I beg your pardon.

I think we put out the wrong fire.

Some even try to fly.

People fish outdoors during the Summer and indoors during the Winter.

Girl's club officers—Debbie H., Cheryl D., Cecelia T., Sharon M., and Denise T.

Ah, My good friend Mr. Rouse.

You're in for it now, we're on a war path.

Oh, sure, they all think that they're Arabs.

That makes the 134th game that I beat today, Mr. Anderson.

My they're a fine looking group, aren't they?

It's a new type of hoola hoop.

Man, dig that crazy beat.

Mr. Grandstaff helped to try to get the Ladder Factory going again.

Say, "CHEESE"

Boy, Hersel is gonna get a mouthfull.
