*Never waste time reflecting on lost opportunities; While reflecting you may miss more.*

*The arrival of village students in the morning along with those in the dorm bring the quiet Administration building back to life. Many rush to their lockers in just enough time to drop off, or pick up their books before going off to morning worship, classes, and work. The day is off to a starting run!*

### PRINCIPAL'S MESSAGE

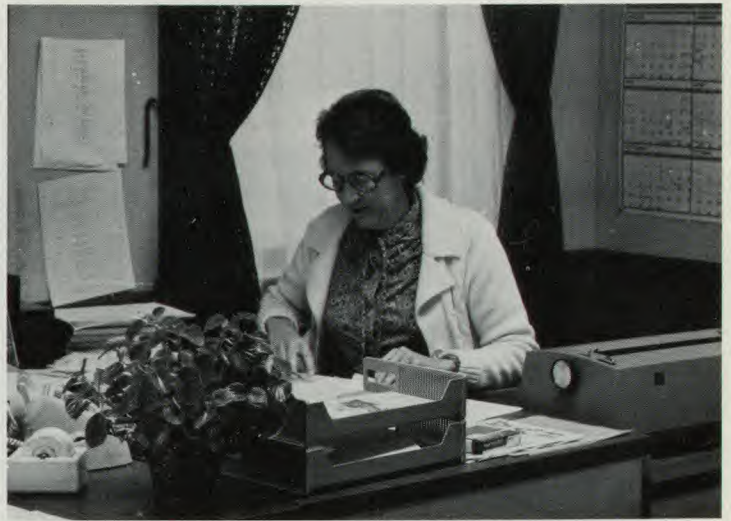

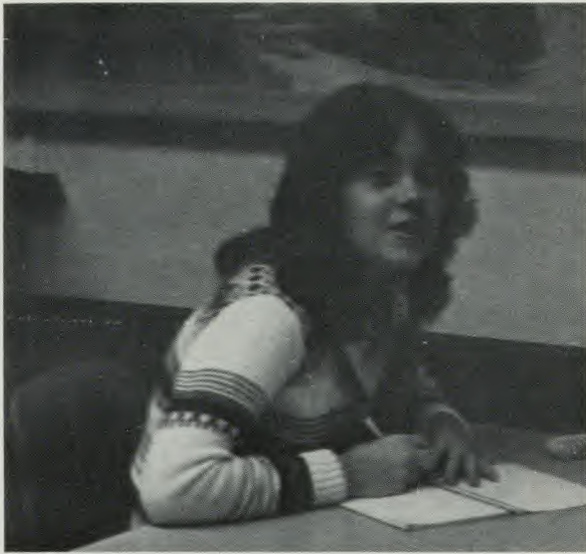

The student and faculty are completing one of the most successful years at Highland View Academy. It is a privilege to be associated with and work for the finest young people found anywhere. You, as students, have made this year a success by your willing spirit, cooperative attitude and faithful support.

It is my hope that you will share the good news about Christian Education and Highland View Academy with all your friends back home. Wouldn't it be wonderful if every academy age youth would be enrolled this coming fall?

May God bless each of you during the summer months and our faculty will look forward to seeing you in September. On behalf of the students and faculty who will be returning, I wish the seniors success as they enter a new adventure in life. Seniors, for the past four years Character Building has been our business and I trust you will continue to make character building a priority in your life. May we all meet together in the earth made new.

## Senior Farewell

Looking back on our high school years, we the class of "1981" should always remember those memories here at H.V.A.

The memories here couldn't have been possible without you. Each one of your classes in its own way has helped us to grow stronger day by day. And as we go our separate ways, our class of "81" would like to say "thank you" for your love and laughter, and good times we had, for you are a very big part of our lives.

We will always treasure those memories deep in our hearts. You have been part of us ever since the first time we met, and you will always be.

Being seniors sure is great, but it wouldn't have been half as great without you. We would like each of you to take within your heart the given gift of Christ, keeping Him first in your life.

And to the class of 1982, the seniors to be, a special thanks for making our senior year what it was. We love you, class of '82, very much. Next year you will show great leadership also. We will surely miss you.

Our prayer is that we will all meet together as a school family in the New Earth.

Lovingly yours,  
Seniors of "81"

# RELIGIOUS ACTIVITIES

Priorities. What an overused word! Yet priorities never seem to be arranged quite right. We all have basically the same reasons for being here at Highland View Academy — we just arrange those reasons in many different orders.

Many students say they are here because of their friendships — the social life. But other schools offer just as many, if not more, opportunities for socializing than does our school. So friendships are not really the big priority that draws us here.

The same could be said of our buildings, our staff, and our academic program. Many other schools have fancier buildings, staff with higher degrees, and a greater variety of class offerings. Yet we still choose to be here.

Then why have we really chosen to teach and learn here at HVA? What special quality draws us together here?

When Jesus walked this earth, He stated His purpose in being here to His followers by saying, "I am come that they might have life, and that they might have it more abundantly (Jn. 10:10)." He also said that He came to serve — not to be served (Matt. 20:28). This idea of learning to serve each other with a more abundant life — a God-centered life — is what makes studying and teaching here at HVA so special.

My prayer for all of us is this: That our buildings will be beautiful because Jesus, our Sacrifice, has shown us the meaning of sacrifice; That our classwork will be meaningful because Jesus, our Teacher, has His "Master's" degree; and that we will be attracted to each other in our friendships because we are sharing Jesus as our best Friend.

Your brother in Christ,

*Pastor Louie Roehl*

## THE SHEPHERD'S PSALM

1. Because the Lord is my Shepherd,  
I have everything I need!

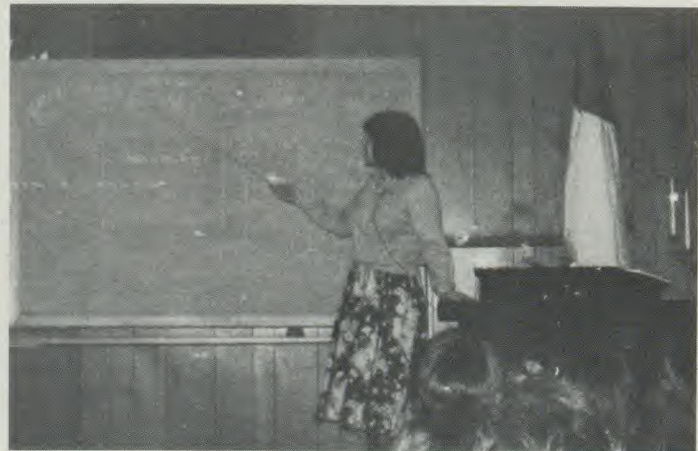

2. He lets me rest in the meadow  
grass and leads me beside the quiet  
streams.

3. He restores my failing health. He  
helps me do what honors him the most.

4. Even when walking through the  
dark valley of death I will not be  
afraid, for you are close beside me,  
guarding, guiding all the way.

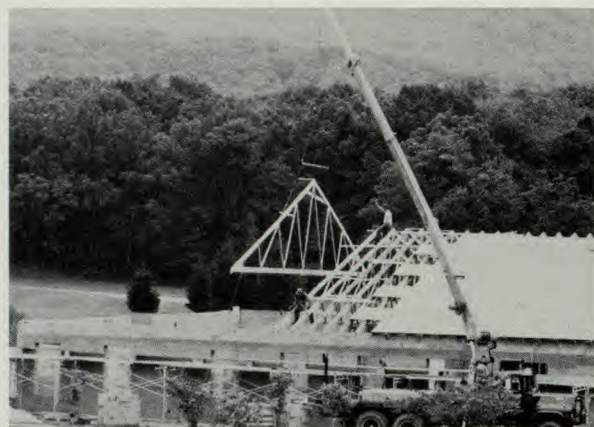

5. You provide delicious food for me  
in the presence of my enemies. You  
have welcomed me as your guest;  
blessings overflow!

6. Your goodness and unfailing  
kindness shall be with me all of my  
life, and afterwards I will live with you  
forever in your home. — Psalm 23 —

*AD-LIB*

*We are growing!*

*We are all anxious for  
this phase of our  
campus to be completed.*

*Thanks to the many  
who have helped in  
this completion by your  
prayers, time, and financial  
support.*

*There's something about Highland View Academy that when I leave the campus I can't wait to get back. It seems there is an excitement in the air that is generated by students and staff alike. Friendliness has been a trademark at HVA. And may it always continue to be so. The Chesapeake Conference is proud of its young people and their willingness to serve the church. Academy life is a maturing experience and HVA offers the best opportunity for such growth. Grow as Jesus grew — "In wisdom and in stature and in favor with God and Man." Luke 2:52.*

*Jack Nail, Director of Youth Ministries*

*The admonition from God is, "This is the Way, walk ye in it." Highland View Academy has been established and is being blessed because of this goal. Through the educational process, ordained by God, the students of Highland View Academy can experience a great blessing. Continue in His way and you will be rewarded with heavenly rewards.*

*Robert W. Skeggs  
Superintendent of Schools*

*Chesapeake Conference is delighted to have part in your program. This year we have eagerly watched you develop mental, physical and spiritual abilities. As you continue your life responsibilities, we will be praying and watching for your success. We know the loving hand of Jesus will rest gently on your shoulder to guide you in the best path of service. Please make the best use of His wonderful help.*

## A GRADUATE'S PRAYER

Father, I have knowledge,  
So will You show me now  
How to use it wisely  
And find a way somehow  
To make the world I live in  
A little better place . . .  
And make life with its problems  
A bit easier to face —  
Grant me a faith and courage  
And put purpose in my days —  
And show me how to serve Thee  
In the most effective ways  
So all my education.  
My knowledge and my skill,  
May find their true fulfillment  
As I learn to do Thy Will.  
And may I ever be aware  
In everything I do  
That knowledge comes from learning —  
And wisdom comes from You.

# **Your future and the Andrews University College of Technology**

**Movement.** In the world of modern technology, it's become the password, the one characteristic so representative of rapid change and progress.

The College of Technology at Andrews University exists to help you get ready for that world . . . where you'll be pushed every day to take in new knowledge and apply it to your chosen occupation.

In an environment centered on Christian principles, we can help you get ready to serve — both in today's and in tomorrow's worlds.

You'll be well grounded, and will learn to make your contribution to an ever-changing and exciting world of technology. And you'll be able to keep your sights on a higher standard — always aiming for the best, the fullest and the richest opportunity in life.

If you're serious about getting ready for your role in the world of technology, get in touch with our Admissions Office. We can help you get started in the right direction.

**"Some things add a little  
class to life."** —Robin Duska

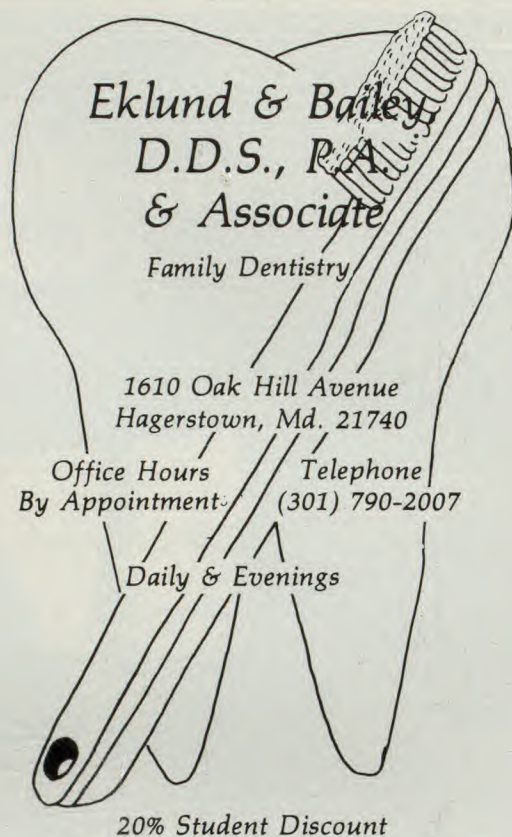

It's important to take time to enjoy some of the quality experiences in life. By taking advantage of nearby Washington, D.C., students at CUC have literally thousands of opportunities to broaden their education. Whether they try brass rubbing at the National Cathedral or experience a free concert on the Mall, the possibilities are varied, exciting, and even fun.

# DON'T RESIST— INSIST ON A GOOD EDUCATION!

Why be mediocre?

Insist on quality. Insist on practical training.

That's what you get at Kettering College of Medical Arts. Kettering Medical Center is located right next door to the college, so you get immediate and thorough clinical training.

You can choose from the following two-year associate degrees:

- Nursing
- Physician Assisting
- Ultrasound Technology
- Medical Technology
- Dietetic Technology
- Biomedical Electronics Technology
- Respiratory Therapy
- Radiology

Graduates of KCMA consistently outperform other graduates on health profession examinations. Most of last year's graduates were hired by good employers before they graduated.

And because of endowments, tuition costs you less than academy!

If you insist on the best in practical

learning, call the office of admissions collect at 513-296-7228. Or write for a curriculum handbook.

"In order that the work may go forward in all its branches, God calls for youthful vigor, zeal, and courage. He has chosen the youth to aid in the advancement of His cause. To plan with clear mind and execute with courageous hand demands fresh uncrippled energies. Young men and women are invited to give God the strength of their youth, that through the exercise of their powers, through keen thought and vigorous action, they may bring glory to Him and salvation to their fellow men.

# MEMORIES AND DREAMS

AUTHOR UNKNOWN

What would we do without them?  
Our memories and dreams,  
When we cannot be together,  
They are all we have, it seems.  
But let us not confuse them,  
Each has its separate place;  
Our memories are what have been,  
Our dreams are what we face.

Our memories are just the thoughts  
of rare and happy things —  
A kindly word — a pleasant smile —  
Or sympathy that brings  
Some comfort to a weary heart,  
And turns night into day,  
And makes the sadness disappear  
And life once more seem happy.

Our memories are what we've done;  
They leave no cause for doubt.  
We know just what it is we've done,  
And what it's all about.  
We've done so many different things,  
And time has gone so fast;  
We have known a million happy times  
That never had a past.

The things we know and cherish,  
Are in our memory book  
And when we want, we only have  
To take another look  
On pages in that book to see  
The things that make us happy,  
And live along in memory  
To await another day.

But dreams are hopes of what  
We want the future to bring us,  
Based on memories of what  
We did to make life glorious.  
We dream and dream from day to day —  
Thus we keep on going,  
With hopeful hearts and happy thoughts  
That seem to keep on growing.

But should the day be granted us,  
To make our dreams come true,  
Then memories must live again  
As we would want them to be.  
And memories and dreams will join  
To give to us it seems,  
Heaven in full, with these  
combined —  
Our memories and dreams.

## Editor's Message

Thanks for taking a walk with us, a walk that has reflected activities and memories of times past, a portion of our lives.

Today's activities and happenings are tomorrow's past and memories. The better you make them and the more you put into them today, the better they will be for tomorrow. We get out of life what we put into it, so let's make each day special!

The yearbook — it fills many with wonder and anticipation. I was constantly bombarded with the question, "When is the yearbook coming out?", and I had to answer, "hopefully on time, if we meet all of our deadlines." The answer to those many questions is here in these many pages.

The process of putting this book together wasn't an easy one. I had invaluable help from many dear people who sacrificed time for other things to help make this book a success, I still wonder how we got it completed.

"We are never given a wish without also being given the power to make it true. We may have to work for it, however." J.S. Bach. With that thought and Phil. 4:13 — I can do all things through Christ which strengtheneth me, I present to you, THE HIGHLANDER '81.

God's Many Blessings

Love and Peace,

*Marian Dye*
