# HIGHLIGHTER

*TO INSPIRE AND MENTOR OUR STUDENTS TO EXCEL IN ALL CHRIST CALLS THEM TO DO.*

## Happy Holidays from HVA!

We've had a great month here at Highland View Academy late fall isn't just beautiful, it's full of excitement and connection!

We kicked off November with **STEM Fest**, an opportunity to reach our community and teach them about God's Design in science, technology, engineering, and math. Over 120 people came and made slime, ice cream, played with micro bits, and so much more! It's wonderful to see God's work, and we can't wait for the next one we host!

Next came our **annual Talent Show**, where students, staff, and community guests enjoyed the Class of 2027's production of *High School Musical*. The first place winner was Nicole Miller on the Aerials silks! She used her strength and flexibility to perform acrobatics on the silks high over our heads in the gym. Junior Talent Show was a fun night filled with food, laughter, and talented kids!

**Rake Day** was an opportunity for our students to bless people in our community. They helped people with yard work and miscellaneous projects, showing Jesus' love through their service. We rested from our hard work during **Thanksgiving Break**, spending time with loved ones with grateful hearts.

Our students are going strong as the semester nears its end - busy, motivated, and ready for winter break! Be sure to follow us on Facebook and Instagram to see everything as it happens.
