TO INSPIRE AND MENTOR OUR STUDENTS TO EXCEL IN ALL CHRIST CALLS THEM TO DO.

Welcome to the 2026-27 School Year!

We're so glad school is back in session! It was a quiet summer on campus without our students, but we're back and ready to kick off the new year strong.

Our first week was filled with orientation meetings, shortened classes, and a few fun activities to help us all get to know each other better. We ended the week with a special outdoor Sabbath at Mont Alto State Park in Pennsylvania and our annual Student Association Scavenger Hunt that same evening.

Our second week of school was more about getting used to classes and teacher expectations, but our Student Association team planned a fun break for us on Thursday August 27 at Pine Furnace State Park. Students spent the day relaxing under the trees, swimming in the lake, and hanging out with each other. There were also kids playing serious games of soccer, volleyball, Uno, and chess. It was a wonderful day full of fellowship and recreation.

On Friday August 28, the Highland View Church welcomed students back with a special vespers program. There was an ice breaker with a Chipotle gift card for the winner (way to go Jason!). Church members prayed with the students, gave them each a gift, and shared refreshments together. The next morning, Saturday, August 29, we had the first Highlanders performance of the year. There are many new students this year, and they quickly learned the songs and performed beautifully. The audience was blessed by our talented students and by Dr. Niño's dedication to his work.

We ended the week by attending a concert at Frederick SDA Church. Dorm students drove together in the HVA vans, but there were many community students, alumni, and friends there to visit with. We even had an interactive Highland View Academy booth. Kids of all ages played connect 4 and our bean bag toss game, while others relaxed under our shady tent. It was a wonderful evening and a great way to end the Sabbath and our first month back at school.

Coming Up in September

September is going to be a busy month! We're especially excited about our first Week of Prayer starting August 31. Daniel Jeon will be joining us from Tennessee for a rich week of Bible study and prayer. Our evening meetings will be held at Highland View Church at 7:30pm each evening. Everyone is welcome.
